

Walkin' and Wheelin' in a winter wonderland

Bike bells ring, are you listenin'?
In the dark - lights a twinklin'
A beautiful sight
We're happy tonight
Wheelin' in a winter wonderland

Wrap up warm in a jumper
be a hop, skippin, jumper
join in our song
as we step along
Walkin' in a winter wonderland

As you stroll to school - build a snowman
pretend it's the friend you're beside
They'll say, "Are ya travellin' safely
lookin out for others
as you stride?"

Later on, if you desire
bling your wheels to shine like fire
To be bright n' be seen
in the places we've been
Wheelin' in a winter wonderland

On the way to school, dash like reindeer
may be you could prance and dance around
Does your nose shine red
just like Rudolf?
even go by sledge if snow's in town

Later on, we'll conspire
As we dream by the fire
to always travel green
to keep the air clean
