<b>Location:</b>	Hybrid – based at our Wakefield Office with ability to work from home on a regular basis. Remote working considered on a case by case basis.

TPS is a transport consultancy with a sustainable focus. Our specialist team have been developing and delivering bespoke sustainable transport strategies for over 20 years and are currently appointed to develop, manage, and monitor sustainable transport strategies at over 160 sites within the UK – from NHS Trusts to Universities, and from residential developments to large corporate organisations.

### About the Role

To support our existing and future workload we are currently seeking to make a senior appointment to our team, who can take a lead role in growing our client base and managing projects from inception to completion. Targeting and working with clients in the Higher Education, NHS and private sectors, you will help to deliver and manage large scale sustainable transport projects.

The ideal candidate will have extensive experience of working with (or within) large organisations to develop strategies aimed at addressing the varied range of transport related challenges. This could typically include commuter/business sustainable transport strategies, car park management strategies, public transport strategies and carbon assessment/reporting. You will have an ability to work closely with key stakeholders to identify the nature of the challenges faced, and to translate this understanding into bespoke solution focused strategies. You will have a responsibility for the full project life cycle, from business development to project management and delivery. In your role you will work with and be supported by our specialist team, with opportunities to line manage more junior team members available.

The successful candidate will be supported, mentored, and provided with opportunities to progress as part of the TPS Team. We provide an attractive employment package and support a healthy work life balance.

### Why work with us?

We offer an excellent range of employee benefits, including:

- 28 days annual leave (including 3 days between Christmas and New Year) plus additional days for length of service, up to 33 days annual leave.
- Formal Time Off in Lieu policy.
- Flexible working policy, with no core hours.
- Option to work flexibly between our Wakefield office and home, as appropriate to your role
- Structured training and development programme, with an annual time allowance for courses / in-house mentoring.
- Pension contribution.
- Free staff healthcare plan.
- Annual bonus scheme.
- Funded social events.
- Cycle to Work scheme.
- Childcare voucher scheme.
- Electric Vehicle salary sacrifice scheme.
