

Mode Shift Month Travel Trail

- This is an optional task for the pupils to complete during the school day to allow them to practice the skills they need to complete the Travel Trail whilst travelling to school.
- This could also be delivered as the main Travel Trail task if pupils are unable to travel actively to school.
- Print pages 2-6, cut them in half and hide them around your chosen school area e.g. classroom, corridor or playground.
- Pages 7 & 8 are the pupils' worksheets which they can use to cross off the pictures when they have found them. Page 8 adds the additional challenge of writing down where they found the pictures.
